80 000sqm Vacant Land For Sale - Hidden Gem!

This 80,000sqm parcel of vacant land presents a prime opportunity for investors and developers seeking a large-scale site ideal for warehousing or industrial development. Provisions for Industrial zoning is in place. The land is predominantly flat with minimal vegetation, making it development-ready and reducing the need for costly site preparation. Its expansive layout offers ample space for multiple warehouse structures, yards, or distribution facilities, while the mostly walled perimeter provides added security and privacy—an essential feature for logistics and storage operations.

Adding to its value, the property includes an existing house and several sheds, which can be used for on-site management,
