Large stand , Large Power and zoned Industrial 2.

This well sized facility is located in the heart of Alrode measuring approx 6578m² under roof seated on a 18 900m² stand. This property is conveniently located within 5 min from the N3 highway, R59 highway and major roads. The property has a large 2.35MVA power supply, two entrances and good height to the eaves.

The main factory areas are made up of three buildings, each with good height to the eaves of approx 5-7m in areas. There is a large section with open sides allowing for large vehicles to access the property. There is a separate small warehouse, machine shop, oil tank, and separate office blocks as well. The Property has a large open yard on one side of the property, suitable for truck parking or storage of raw materials.

The property is also zoned Industrial 2, which caters to noxious industries.
