846m² Benoni South Warehouse – Prime Access, Power & Practical Layout

Strategically located in the sought-after Benoni South industrial hub, this 846m² warehouse is built for operational efficiency and convenience. With excellent eave height, generous natural light, and a dependable three-phase power supply, it's ideal for warehousing, manufacturing, or distribution. Two large on-grade roller shutter doors and ample yard space ensure smooth vehicle access and logistics flow.

The property also features a well-designed office component, including a spacious reception area, multiple private offices, a boardroom, kitchenettes, and ablution facilities for both warehouse and office staff. Positioned just off Range View Road with easy access to the N12 and N17 highways, this warehouse offers superb connectivity in a high-demand location. Contact us today to
