3858sqm freestanding warehouse with offices

This freestanding 3,858m² warehouse, set on a spacious 7,800m² stand in Knoppieslaagte, Centurion, offers an exceptional opportunity for large-scale operations. Located in a secure and well-managed industrial business park, the property benefits from 24/7 security, access control, and excellent accessibility. The open-plan warehouse features generous height, ideal for storage, manufacturing, or logistics, and ensures maximum operational efficiency. With no load shedding and a reliable water supply, your business can operate without interruption.

The office component is modern and professional, featuring multiple private offices, open-plan work areas, boardrooms, and staff amenities—making it ideal for administrative and client-facing functions. The layout promotes a seamless connection between
