Functional Workshop with 3-Phase Power in Delville – Ideal for Engineering or Fabrication

This neat and well-maintained industrial unit in the heart of Delville, Germiston, is now available to let. Perfectly suited for engineering, fabrication, or light manufacturing businesses, the property offers 100 amps of three-phase power and a large roller door at the front for easy access and vehicle entry. The layout includes two well-sized offices for admin use and covered parking bays for added convenience.

A mezzanine-level change room for staff ensures the main floor remains fully optimized for workshop activity. Positioned in a sought-after industrial zone with excellent accessibility, this space offers functionality, flexibility, and convenience for businesses
