Prime Industrial Unit with Excellent Highway Access

Available immediately, this 516m² industrial unit is perfectly positioned in the busy Elandsfontein industrial node, offering quick access to the N12 highway—ideal for logistics, warehousing, or manufacturing businesses. The unit features a spacious, open-plan warehouse with an on-grade roller shutter door and convenient link access, ensuring seamless goods handling and flow. It also includes staff ablutions, a kitchen, and reliable three-phase power.

With impressive height to the eaves, the space is perfect for high-volume storage and efficient racking. Large windows provide excellent natural lighting, creating a bright and productive workspace. This versatile facility is ready to support your business
