5000m² Freestanding Warehouse with cranes available To Let in Germiston.

5000m² Freestanding Warehouse with cranes available To Let in Germiston. This property is centrally located and offers easy access to all major highways with public transport readily available. The warehouse/factory offers good height with natural light and a 3 phase power supply. This property also offers a number of overhead cranes which run the full length of the workshop bays ranging in size from 5 tons to 25 tons. There is a private yard space measuring approximately 1000m² and offers excellent truck access and flow. The warehouse has large roller shutter doors for ease of access for larger vehicles.

The office component is very neat a well sized, it offers a welcoming reception area as well as multiple individual and open plan
