Mini Industrial Unit – Ideal for Start-Ups or Downsizing

Perfectly tailored for start-up ventures or businesses in need of a compact industrial space, this unit combines convenience with practical functionality. A large roller shutter door allows for seamless loading and offloading, helping to streamline daily operations and improve efficiency.

The unit is also equipped with a dependable three-phase power supply, supporting a range of energy-intensive equipment and processes with ease. Whether you're launching a new enterprise or scaling down your operations, this space offers a smart, cost-effective solution.

Located in the well-positioned area of Knights, this unit presents an excellent opportunity to secure a versatile industrial space that
