A-grade warehouse to let in secure estate in Tunney

This neat A-grade warehouse, measuring 1,050m² under roof, is available to let in a secure industrial estate in Tunney. The facility offers excellent access with two roller doors and the capacity to accommodate super-link trucks and other vehicles. The estate is secured with 24-hour security and controlled boom access, ensuring a safe working environment. The warehouse features ample natural light, good height to the eaves for racking or other business needs, a 3-phase power supply, and a 140m² concrete mezzanine for additional storage.

The office component is spread over two levels, including a reception area, open-plan and executive offices, a boardroom, and separate male and female ablutions. Kitchenettes are provided for both the warehouse and office areas. Additional features
