Well-Lit secure Warehouse with Office Space & Mezzanine, Near M2

This well-maintained industrial warehouse offers a practical and secure space within a 24-hour access-controlled park. Featuring a large roller shutter door for easy truck access, generous internal height, and great natural light, the space is ideal for a range of operations. A 63-amp, three-phase power supply supports light-to-medium industrial activities, while on-site amenities like a change room and staff ablutions ensure day-to-day comfort and convenience.

The office component includes a tidy reception area and two private offices with a solid mezzanine level above for additional storage or workspace flexibility. Strategically located near the M2 highway and close to public transport, this unit is a smart choice
