710m² Industrial Warehouse in Robertville, Roodepoort

Situated in Robertville, Roodepoort, this 710-square-meter industrial warehouse provides a versatile and secure space for various business operations. Designed to accommodate both administrative and operational needs, the facility includes well-proportioned office and warehouse areas. Equipped with three-phase power, it is ideal for supporting a wide range of industrial activities.

The property is fitted with essential amenities, including a kitchen, bathrooms, and a shower, ensuring a comfortable and convenient work environment for staff. A large roller shutter door enhances logistics efficiency, while ample parking bays allow for easy access. With strong security measures in place, this warehouse offers a functional and safe workspace, making it an
