Secure, Functional Industrial Unit with Power and Office Space in Prime Location

Position your business in this well-designed industrial unit, located within a secure, access-controlled park offering 24-hour security. The spacious open-plan warehouse is easily accessible via a large roller shutter door and supported by an 80-amp, three-phase power supply—perfect for a wide range of industrial and commercial operations.

The property also features multi-level office spaces, communal parking for staff and clients, and modern ablution facilities, including showers. With its blend of functionality, security, and comfort, this unit offers an exceptional opportunity for businesses
