Secure 850m² Warehouse with High Power & Office Space in Prime Industrial Park

This 850m² warehouse offers a premium industrial solution in a secure, access-controlled park with 24/7 security. Equipped with a full sprinkler system and a robust 400-amp three-phase power supply, the facility is built to support heavy-duty manufacturing, storage, or distribution operations safely and efficiently.

The property also features a second-floor office area, private parking, and excellent connectivity to major transport routes. Perfect for businesses seeking a high-capacity, well-equipped workspace, this warehouse delivers both convenience and peace of mind.
