850m² Industrial Property To Let – Stormill, Roodepoort

Position your business for growth with this well-appointed 850m² industrial property in the sought-after Stormill area of Roodepoort. The facility features a well-balanced mix of neat office space, modern ablutions with showers, secure parking, and reliable three-phase power—ideal for light industrial, warehousing, or distribution operations.

The warehouse offers excellent height, ample natural lighting, and a large roller shutter door for efficient loading and offloading. With its practical design and strategic location in a well-established industrial hub, this property is geared for operational efficiency.
