4,400m² Industrial Facility in Stormill Ext – Built for Productivity & Growth

Position your business for success in this expansive 4,400m² industrial property, ideally located in the well-established Stormill Extension. Designed for efficiency, it features a large roller shutter door for easy access, making it perfectly suited for manufacturing, warehousing, or logistics operations. A dedicated office component ensures smooth coordination between administrative and operational teams.

This facility offers ample three-phase power, impressive internal height, excellent natural light, and modern staff amenities—all key ingredients for a high-performance workspace. With its strategic location and easy access to major transport routes, this is a
